## **Veterans Listening Session**

As the new chair of the United States Senate Committee on Veterans' Affairs, Senator Murray wants to hear how we can improve the lives of veterans in Washington state. Senator Murray has pledged that in her new role she will listen to veterans first and continue to bring their struggles, stories, and suggestions to DC to help enact change. Please come to listen to a discussion on some of the biggest issues facing veterans and to share your thoughts with other veterans and Senator Murray.
