## 5 Star Chapter President's Message

Our next social will be Sunday, 8 March at Darcy's. A speaker is yet to be selected.

This month we honor our presidents, past and present. As we enter the season of political campaigning I hope we all maintain our composure as we participate in this important democratic process that our veterans have fought and died for since 1776. Let us all remember that everyone is entitled to their position and must be respected by all.

Our December social was enjoyable again with the songs of the season performed by the Windfall Quartet, the menu was modified from our past socials at Mukogawa and we had a teriyaki main course. The board of directors for 2020 was sworn in before the raffle.

## New Patient & Family Partnership Council

Greg Sassman LTC, USA (retired) has been selected as a member of the newly formed Patient and Family Partnership Council (PFPC) at the Fairchild AFB 92<sup>nd</sup> Medical Support Group. The purpose of the council is to improve the quality of care for all the clinic's patients. The council is looking for feedback from all patients, including retirees, on how to improve services. Chapter member Greg Sassman is the retiree council representative. He can be contacted at [gsassman@centurylink.net](mailto:gsassman@centurylink.net) (preferred) or 509-276-5156.

### **Free Legal Assistance for Washington Veterans**

Washington's **Office of Military and Veteran Legal Assistance (OMVLA)** announced a centralized calendar of upcoming free legal aid clinics across Washington. These events are coordinated with community partners, providing qualifying military personnel and veterans with free assistance for a range of civil legal issues.

The legal clinic schedule consolidates six months of events from multiple organizations at locations around the state. The schedule is available online at <https://www.atg.wa.gov/calendar-test#services>. OMVLA created the coordinated calendar of events and opportunities so military service members and veterans have easy access to information about how to find legal help and resources. The calendar covers the first six months of 2020 and will be updated as more events are scheduled.

The OMVLA website also features educational resources on laws that offer protections and benefits to military service members and veterans. Legal professionals interested in volunteer opportunities can also find information on how to sign up to serve the state's military and veteran families.

Legal assistance is consistently identified as a top unmet need of veterans, with the Legal Services Corporation recently estimating that over 70 percent of households with veterans or military personnel experience at least one civil legal problem every year. While such problems can be similar to those faced by the general population, military service members and veterans can also experience legal challenges that are the result of or complicated by their military service.

### Support Renaming Highway 902 to *Gold Star Memorial Highway*

The Director of the Washington State Veterans Cemetery in Medical Lake is joining the Eastern Washington Veterans Task Force in requesting support from community and veteran organizations in Eastern Washington and North Idaho to rename Washington State Route 902 (SR902) to the Gold Star Memorial Highway.

The term Gold Star derives its origin from WWI when mothers of service members lost during the war came together to support one another in their grief. These families hung gold stars in the windows of their homes.

Several individuals interred at Washington State Veterans Cemetery lost their lives during service in the military. If approved, this proposal would honor those individual and recognize surviving families as they travel to the Washington State Veterans Cemetery on this highway.

SR 902 is 12.36 miles long and begins at exit 264 where it travels northwesterly and passes Lakeland Village, then through Medical Lake before turning east at Brooks Road and continuing northeast before intersecting I-90 at exit 272.
